BABY ESSENTIALS LIST

Baby Clothing

We suggest **New Zealand Merino Wool for Winter, Cotton for Summer and our innovative Wool-Cotton Blend for the changing seasons.**

2x Day/homecoming outfits - Good idea to have a woolen outfit for transporting baby from hospital. Could include bodysuit, pants, cardigan, booties and hat.

3x Wool Bodysuits - Dimples Bodysuits dome under the crotch to prevent them from riding up, easy for nappy changing.

6-8x Cotton Bodysuits

3x Gowns - Comes with draw string at the bottom. This helps baby feel secure much like in the womb.

3x Dome Front Babygrows - Domes make changing baby easy especially for first time parents. The Babygrow eliminates the need to push baby's head through a neck hole.

2x Cardigans - Most babies don't like having clothes pulled over their heads, so warm up your baby with a Dimples cardigan that domes/buttons down the front.

3-4x Booties - Dimples booties are renowned for staying on.

3-4x Socks

2x Hats/Beanies - New Zealand Merino Wool for Newborns and Winter Babies.
